Description

Protect your best friend, while outdoors, with our new pet socks! Made from 80% cotton, 15% spandex, and 5% polyester materials, that are comfortable and breathable. These pet socks also have a non-slip sole, which can prevent your pets from slipping and skidding. Customisation is available on the header card, through custom digital print. The header card can also be cut into custom shapes, for added effect. Optional customized pattern header cards can further enhance the effect of brand promotions. These socks can help with excessive paw licking due to allergies or wounds, and provide protection for your doggie's paws, great for indoor and outdoor wearing.
