Description

Unique spring-loaded car phone holder which has a built in 5W wireless charger. It has a soft rubber clip which pushes onto car air vents and securely holds a phone so it can be used and charged at the same time. Simply plug the unit into the USB port of a car adapter and it is ready for use. It is compatible with devices that are enabled for wireless charging and will charge most modern phones. Zamora has a handy slot in the back for the cable to pass through and a very prominent branding area. It is supplied with a Micro-B USB cable and an instruction leaflet. Please note that some phone cases may affect the wireless charging connection.
