Description

Introducing the Custom Wireless Charger, a unique and personalized charging solution designed to fit your brand's identity. This custom-shaped wireless charge pad is moulded from PVC and offers up to 6 colours per design, allowing you to create a truly distinctive look. Compatible with Qi-enabled devices, the charger provides efficient inductive wireless charging. Simply connect the pad to a power source using the included micro USB cable and place your phone on the pad to start charging. An inductive charging indicator ensures you know when your device is charging. The Custom Wireless Charger comes with a 12-month limited technology warranty. Material: PVC
