Description

Novel bottle opener with a flexible PVC rubber handle which is manufactured in custom shapes with 3D branding on one side. The 3D branding allows part or all of the artwork to be raised from the surface of the product for maximum impact. Pricing includes up to four PVC colours with more colours available for an additional charge and the reverse can be overprinted for an additional charge. A production lead time of 30 working days applies to this product by air freight and larger orders can be sea freighted on request to reduce the freight cost.
