Description

Stay dry no matter the weather with the Stormy Umbrella! This full-sized umbrella is built to withstand even the toughest storms. With an 8-rib fibreglass frame and a vented wind panel, it’s designed for extra stability in strong winds. The durable 190T pongee fabric is tougher and more resilient than traditional materials, ensuring long-lasting use. The automatic button release makes it easy to open, while two velcro straps keep it neatly stored when not in use, along with a matching pongee sleeve. Plus, the rubber handle offers a comfortable, secure grip. Don’t let the storm catch you off guard, be ready with the Stormy Umbrella! Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA net per colour. For digital transfer printing, please ensure art and colours are at full opacity.
