Description

Compact 10W magnetic wireless charger with fast charging capability. The charger's casing is made from recycled aluminium and features the recycled symbol engraved on the back. For convenient wireless charging, simply plug it into any USB port or mains adapter and place a compatible device on the smooth silicone charging pad. The charger will magnetically attach to phones with magnetic charging capability, or will work as a desk charger with most modern devices. Magneto is presented in a printed black gift box with instructions.
