Description

Titleist golf balls are the number 1 balls on tour and perfect for all skill levels. The PRO V1x has a sophisticated 328 dimple design that helps to generate more speed from the clubface, reduce long game spin and achieve a higher flight trajectory to produce an extraordinary distance ball. It has a very soft feel that produces enhanced Drop-and-Stop greenside control which stops iron shots much faster than harder balls. The PRO V1 is nicely presented in boxes of three in an outer box of one dozen balls. The branding on the packaging is subject to change without notice and this product must be ordered in dozens. Please note this product cannot be supplied without the Titleist logo.
